

Columbiana Vision Care

COVID-19 Update

As of May 1st we will return to normal operating hours and resume seeing patients for routine eyecare. Please be advised of the following policies and changes that will be in place until further notice:

- * Masks are to be worn by all staff and patients.
- * Patients will be asked to use hand sanitizer upon entering.
- * If you are feeling ill or have any fever or symptoms consistent with COVID-19 please call to reschedule your appointment.
- * All frames handled during the styling process will be disinfected prior to being returned to the frame board.
- * All contact lens orders will be shipped to your home at no cost.
- * Spectacles can also be shipped to you if no adjustments are required..
- * Your temperature may be taken upon entering via infra red thermometer.
- * Please limit any family or friends accompanying you to one other person during your visit.

Our office will be cleaned and disinfected regularly to ensure a clean environment for your visit. We appreciate your understanding during this process.

Thank you,
The doctor and staff of Columbiana Vision Care
